WIZARD ENTERS / WATCHING THE SCREEN

(Wizard appears behind a large glowing tablet or screen.)

WIZARD:

Hmm... what do we have here?

(He zooms in on Dominga on the screen.)

WIZARD:

Well, well... a visitor on the Yellow Brick Road.

(Zooms further.)

WIZARD (leaning forward):

Wait a minute...

(Gasps.)

WIZARD:

Those shoes...

(Angry whisper)

Those are **Golden Shoes**.

(Turns to tech team.)

WIZARD:

TECH TEAM!

(The techies jump in their chairs.)

WIZARD LINES (MEAN BOSS ENERGY)

WIZARD:

Why was I not informed about this girl and her friends?

WIZARD:

Scan them immediately!

WIZARD:

Find out who they are, where they came from, and what they want.

WIZARD:

If she is connected to the Golden Shoes... this could be a problem.

WIZARD:

And I do not like problems.

WIZARD:

Find out everything they know about **Solene** and the **Book of the Sun**.

TECHIES SEARCHING

(Techies tap tablets quickly as information appears.)

Techie Malyah:

Searching Sun City records now Sir...

Techie Mariah:

Sir, No entry found for "Dominga." She is not from this island.

Techie Natelie:

Scanning agricultural databases...

She comes from a farm outside Atlanta, Georgia.

Techie Angelo:

It says she studies dance but lacks confidence.

Techie Jadyn:

Running analysis on the metal figure.

Techie Autumn:

Name: **Clink** — Mayor of Metal Land.

Techie Malyah:

Record shows he protected children during a major storm.

Techie Mariah:

Scanning the straw figure.

Techie Natalie:

Name: **Albie** — classified as a scarecrow.

Techie Angelo:

Data suggests high intelligence but low self-confidence.

Techie Jady:

Looking up the lion.

Techie Autumn:

Name: **Roary**, leader of a jungle pride.

Techie Angelo:

Running cross-reference with Solene's territory.

Techie Natalie:

Warning... possible contact with **Los Proscritos**.

WIZARD REACTS

(Wizard slowly smiles — an evil plan forming.)

WIZARD:

So... the girl is brave... but uncertain.

WIZARD:

The scarecrow wants a brain.

WIZARD:

The metal man wants a heart.

WIZARD:

And the lion wants courage.

(Laughs quietly.)

WIZARD:

Perfect.

(Turns to techies.)

WIZARD:

If they want help... they will have to earn it.

WIZARD:

I will Send them to Solene.

WIZARD:

Make them bring me the **Book of the Sun**.

WIZARD:

And if they succeed...

(evil smile)

WIZARD:

Solene and her people will be banished forever.

(Wizard turns back to the screen, watching Dominga.)

WIZARD (quietly):

And the Island of the Sun will finally belong to **me**.
