

4TH GRADE HERALDS/Protectors – Performs May 13/14

Herald Jabari:

Citizens of Sun City, hear the truth written in the Golden Book of Light.

Herald Saratina:

We have come to bring Solene back to Sun City as the rightful heir to the throne.

Herald Santana:

For many years the Wizard has ruled by fear and secrets.

Herald Aalayah:

But today the truth shines brighter than any lie.

Herald Sean:

The Wizard claims he is the master of technology.

Herald Chelsea:

But he does not build, invent, or understand the machines he uses.

Herald Milenna:

He forces the techies and the brilliant workers of Sun City to do the thinking.

Herald McKinley:

Then he takes the credit for their discoveries.

Herald Carter:

The Wizard says he restored the light of Sun City with his inventions.

Herald Samaya:

But the Golden Book reveals he stole the blueprints of the King and Queen.

Herald Leilani:

Those blueprints were designed to harness the power of the sun for electricity.

Royalty:

Solene never needed magic to shine—her mind built the light that powers us all!

Herald Jabari:

Without those designs, the Wizard cannot create anything new.

Herald Saratina:

That is why Sun City has no new inventions today.

Herald Santana:

Because the Wizard does not know how to build them.

Herald Aalayah:

But the Golden Book of Light can only be opened by two forces together.

Herald Sean:

The Golden Shoes of pure heart and the true heir of the Sun.

Herald Chelsea:

When Dominga wore the shoes and stood beside Solene...

Herald Milenna:

The book unlocked the true history of the island.

Herald McKinley:

The King and Queen were brilliant engineers and creators.

Herald Carter:

They passed their knowledge to their only child before they disappeared.

Herald Samaya:

That child is Solene of Los Proscritos.

Herald Royalty:

I'm proud to stand with our true leader—the one who creates, not pretends!

Herald Leilani:

She is the rightful heir and Queen of Sun City and the true Wizard of Technology.
